## Would you like to discover more about the Flora and Fauna Sanctuary that's right on your doorstep?

Why not bring along the family for a guided walk in the Sanctuary and learn about some of its **Star Performers** (some very special trees), on **Sunday afternoon 1st April at 2.00 pm.**

While you're there help us to celebrate this precious urban forest and World Forestry Day with a delicious **Autumn themed afternoon tea** with muffins, scones, home made jams and fruit platters. And if you happen to be **THE** lucky ticket holder, (numbered tickets given to all comers at the beginning of the walk), **you can win a beautiful, original botanical art work** depicting a Star Performer, generously donated by the artists Judy Hartley Thomas and Douglas Menon.

**When: Sunday 1st April • Time: 2.00 pm**

**Where: Dog Rocks Flora and Fauna Sanctuary**

95 Dog Rocks Road, Batesford 3221

RSVP *please* so no one misses out.

**Is there a native plant in your garden that you'd like to know more about?**

Bring a cutting along for identification.

**Would you like some free plants for your garden?**

The Batesford / Fyansford / Stonehaven Landcare Group will be giving away local native plants.

Sketch & photo: **River Red Gum**  
*Eucalyptus camaldulensis*
